The new **STAUFF Catalogue App**

Product search through content index

Full-text search functionality (e.g. for designation)

Easy and quick navigation

## Quick and direct access to up-to-date and complete product information – wherever you are

The detailed STAUFF product catalogues in German and English are now available as a free STAUFF catalogue app for mobile devices, i.e. smartphones or tablets.

The application is available through the usual channels: via the Google “Play Store” for Android devices and via the Apple “App Store” for iOS devices.
